The Master of "Captain Aero"
Interview with Editor
of New York Evening Magazine

"CAPTAIN AERO COMES"

Editor: The old story of the flying man
has been repeated for the first time in the world

"CAPTAIN AERO"

Has been the greatest sensation since the
first flight of the Wright brothers

"THE FLAEMAN"

Is the first of the new series of
the "Captain Aero" stories

Now the first of the new series of the "Captain Aero" stories

The first of these is the
 fact that the person is
 running across a body of
 water. This is a very
 dangerous situation, and
 the person is likely to
 fall in. The second is the
 fact that the person is
 running across a body of
 water. This is a very
 dangerous situation, and
 the person is likely to
 fall in. The third is the
 fact that the person is
 running across a body of
 water. This is a very
 dangerous situation, and
 the person is likely to
 fall in.
